2) Overview

In order to secure your team's place in the 2014 Pan Pacific Masters Games baseball competition team organisers must:

- i) Select team division (35+, 40+, 45+, 50+ or 55+)
- ii) Create a team name and code
- iii) Register and pay for a minimum of ten (10) players in one payment.

Registrations will open on **Wednesday 3 May** at www.mastersgames.com.au.

This process has been implemented as it is anticipated that baseball will reach the capped number of 50 teams well before the advertised close of entry date and it ensures that only complete teams are nominated which will assist with event planning and ultimately make your entire Games experience better.

3) Securing your team's position

Once you have decided that you would like to enter a team in the Pan Pacific Masters Games your first job is to drum up some interest from your fellow players and organise the minimum number of players so that you can secure a place in the competition for your team. You will then need to collect payment and some personal and contact details from each player. We suggest that you have all player personal details and monies collected in advance of registrations opening to ensure you are able to register as soon as possible to secure your team's position.

Please note that you must have a minimum of 10 *players*. If the team organiser is also a player then they will be included within the minimum 10 players. However, if the team organiser is a Non-Playing Official they will not be included in the minimum and will therefore be required to register for one Non-Playing Official as well as 10 players (i.e. 11 people in total).

All teams are required to then register additional players in order to make up the team numbers to a minimum 13 players by the close of entries date on Friday 26 September.

It will take some time to register this number of people and you will *not* be able to save and complete at a later time. In addition to plenty of time, you will also require a reliable computer and internet connection as well as patience. We suggest that you allocate a time period of approximately two hours.

Registration Fees

There are two types of Fees:

1. *Games Fee* - Each participant is required to pay the Games Fee. Which fee depends on whether they are a player, non-playing official, or a supporter:

Competitors: **\$100 per person**

Non-Playing Officials: **\$75 per person**

Supporters: **\$70 per person**

2. *Sport Fee* - Only players are required to pay the sport fee:

Baseball Sport Fee: **\$95 per player per team**

Notes:

- i) A \$20 Late Fee will be incurred on the Competitor Games Fee for entries received after 3 September, 2014.
- ii) The Games Fee is only paid once by each person regardless of how many sports they enter.
- iii) The Competitor Games Fee is for anyone playing in a sport.
- iv) The Non-Playing Official Games Fee is team managers, umpires, scorers, coaches or officials who will not be playing but still want to be officially linked to the team and be eligible for a medal should the team place.
- v) The Supporter Games Fee is for family or friends of player who would like to attend the nightly entertainment.
- vi) You will only be able to create and manage teams if you are registered as a Competitor or Non-Playing Official.
- vii) Only Visa or MasterCard will be accepted. American Express and Diners Club will not be accepted.

Total fees payable at time of registration

10 Players		10 Players & 1 Non-Playing Official	
Standard Entry	Late Entry	Standard Entry	Late Entry
\$1,950	\$2,150	\$2,025	\$2,225

Please note you will require a credit card with a limit that covers the full amount required.

Team code creation

One of the steps when registering your team is to create a team code. The code is decided upon by the team manager. It is suggested to be 4-8 characters in length and should be a combination of letters and numbers. No two teams can have the same team code so it will be unique to your team. Once the team manager has registered the team (by selecting the team's division, created the team code and registering and paying for the minimum 10 players) they can then pass on the team code to any additional players or Non-Playing Officials so they can register as an individual in the team.
