2) Pre-planning your team's entry

Once you have decided that you would like to enter a team in the Pan Pacific Masters Games your first job is to drum up some interest from your fellow players.

You will be able to enter multiple people via your team manager portal or you can distribute your team name and team pin so individuals can register themselves into your team. If you are planning on registering multiple players or Non-Playing Officials you will then need to collect payment and some personal information from each player.

It will take some time to register multiple people and you will not be able to save and complete at a later time. In addition to plenty of time, you will also require a reliable computer and internet connection.

3) Registration Details

Registrations open **Wednesday 20 November 2019** (9am AEST) at www.mastersgames.com.au
