ACF thanks all volunteers who have assisted  
Diane Treagus and Anita Roser  
with the 2022 PPMG Competition

Diane has been instrumental in giving her time in liaising with the PPMG to coordinate the smooth running of the competition and making sure everything is as it should be at the venue.

Together with her helpers we will again ensure that this competition runs smoothly and that every participant and every team reaches their goals and is rewarded with the fun competition PPMG is renowned for.

Over the competition days we will also remember our very dear friend and supporter, Joy Smith. She will forever be in the thoughts of the participants and volunteers each and every year.

**'Volunteers are not paid – not because they are worthless,  
but because they are priceless'**
