No protest or appeal shall apply to decisions made by the Tournament Director.

The Tournament Director shall seek advice from local Ground Staff and local Officials with knowledge of weather patterns, field drainage and drying out times etc., and may also consult the Technical Manager. The Tournament Director shall primarily exercise a Duty of Care to players, umpires and officials and shall also give due consideration to the care and preservation of playing fields.

Where there is lightning, the Tournament Director shall continually monitor the conditions and exercise necessary precautions. Local knowledge of storm patterns should be relied upon as well as Bureau of Meteorology warnings and observations if available.

In the case of excessive hot weather conducive to heat exhaustion, the Tournament Director shall take a responsible attitude to the safety of players and participants, and should venue specific details not be available shall consult the Bureau of Meteorology website and apply the following;

- (a) Where the ambient temperature is between 31 – 35 degrees Celsius, with humidity exceeding 50% - consult with the team managers to instigate a drink break at each quarter of the match.
- (b) Where the ambient temperature is more than 36 degrees Celsius, with humidity exceeding 30% - consult with the team managers to suggest that the game if not commenced be deemed a draw.

The Tournament Director may consider the following options:

- (b) Where a tournament is so disrupted by weather, as described herein, that the tournament cannot continue in accordance with the published draw and schedule, the Tournament Director may;
 - (i) Adjust the match times for the balance of the tournament. It is recommended that matches not be shortened to less than twenty (20) minutes per half, but where prevailing conditions are such that this is not possible then matches may be shortened to a time and formulae that will allow the Championship to proceed to an outcome.

AND/OR

- (ii) II. Adjust the Tournament Draw (where possible and convenient) to allow for earlier and later match playing times. No match shall be scheduled to commence earlier than 8.00 am and no match shall commence later than 9:00 pm.

AND/OR

- (iii) For divisions with pools where the positions in the pools have been determined, cancel the Crossover matches and Semi-finals and play Classification matches and the Final directly across the pools as follows:

- 3rd Pool A v 3rd Pool B (Positions 5 & 6);
- 4th Pool A v 4th Pool B (Positions 7 & 8) and so on.

Should it not be possible to play all these matches, the Tournament Director shall give priority to the finals. If these matches cannot be played in their entirety, then a result may be determined by a shoot-out provided that a playable half field is available for this purpose.

AND/OR

- (iv) For divisions without pools, cancel the Crossover matches and Semi-finals and the Classification matches and Finals and determine the tournament on the results of the Round Robin matches alone.

AND/OR
