Welcome from the MSQ President

On behalf of Masters Swimming Queensland (MSQ) I wish to welcome everyone to the beautiful Gold Coast for PPMG 2024!

We have over 550 competitors, including able-bodied and multi-class swimmers, representing every Australian State and Territory and 10 other countries from the Pacific Rim and beyond. I wish each of you every success in this world class pool over the coming days – swim well everyone.

We are also very lucky to have so many volunteers and supporters ready to give their time to making this event special for us all – I hope you enjoy the experience and know that every competitor appreciates your support because we wouldn't be here without you.

MSQ wishes to acknowledge the financial support we received for the pool hire and timing operators for this event from the Queensland State Government's Gambling Community Benefit Fund grant.

MSQ is also proud to have the support of major sponsors Funky Trunks and Funkita who have provided caps for our first 400 entrants and supplied some great raffle prizes to be won – make sure you grab your raffle tickets on entry at the raffle table!

Also be sure to book a massage between events, enjoy medal engraving if you're lucky enough to land a medal, and reach out to our photographer to capture a special moment for yourself at this event.

Don't forget to enjoy the rest of what PPMG24 has to offer while you are here. You can check out other world class facilities and support athletes in over 40 different sports, enjoy live entertainment and food at the Games Hub nightly, or simply explore all that the Gold Coast has to offer from the sand and surf to the shopping and dining, there's something for everyone to enjoy this week.

On a personal note, I wish to thank the PPMG24 Swimming organising committee for all your time, hard work and dedication over the last five months in preparing for this event. It is an enormous undertaking, and it is a privilege to work with each of you. Thank you all.

Enjoy the event, and good swimming everyone,
Susanne Milenkevich

MSQ President, Sport Convenor and Meet Director.

Conduct of Events

Heats will be swum from fastest to slowest. The fastest seeded heat will be heat 1 of each event. All events will be conducted as timed finals. Starts will be 'over the top' where possible.

1500m/800m/400m form stroke events are to be swum as programmed, i.e. 1500m/800m/400m form strokes cannot be swum in the corresponding freestyle event.

Relays

Anyone may form and enter a relay team on the day of the event by submitting a relay form at the desk on pool deck. Cashless payment is required at the time of entry. EFTPOS will be available.

Club Relays

Club relays shall consist of four swimmers each registered with the same club. No swimmer is allowed to represent more than one club.

Teams may be amended up until 9:30am daily. Any further changes will be at the discretion of Meet Director.

Information

These relay teams are eligible for National, respective State and PPMG records.

Mixed Club Relays

Mixed Club relays are defined by relay participants forming a relay team while representing multiple Clubs at the meet.

These relay teams are eligible for PPMG records only.

All relay swimmers must enter at least one individual event to be eligible to swim in a relay team. A swimmer may only swim a particular relay event once. Relays are to be swum in the order swimmers are nominated in their entry. Mixed relays must consist of two (2) males and two (2) females. The order of swimmers by gender is optional in mixed relays.

Warm-up start time

Warm-up for each session will commence at 7:30AM with the competition pool closing at 8:15AM. The 25m warm up pool will remain open throughout the duration of all sessions for warm-up and swim down. Competition will commence at 8:30AM.

During the warm-up dedicated lanes will be available for swimmers aged 70 years and older. Please abide by all signage and follow the directions of Gold Coast Aquatic Centre (GCAC) staff for lane use in all pools.

Self Marshaling

- All swimmers will be required to self-marshall. People who are not swimming or officiating should not be near the starting end of the pool during the meet.
- Swimmers are responsible for knowing the event, heat, and lane they are competing in, and for being aware of what event/heat is currently in the water. The Meet Announcer will be calling the heat number in the water after the start of every heat, and regularly reminding how many heats there are in total for the current event.
- An entrant who fails to report to the marshaling area prior to their heat being called to the blocks may be deemed withdrawn.
- No more than four (4) heats of swimmers are permitted in the marshaling area including behind the blocks:
 - 50m events - 4 heats prior to the heat in the water
 - 100m events - 4 heats prior to the heat in the water
 - 200m events - 3 heats prior to the heat in the water
 - 400m events - 2 heats prior to the heat in the water
 - 800m events - 1 heat prior to the heat in the water
 - 1500m events - 1 heat prior to heat in the water

Swimmers in the 1500m, 800m and 400m events should be

prepared to report early, or check-in at the beginning of the session to the marshaling area as heats may be combined to save time.
