Track Team Sprint (135 yrs +)

07 November 2006

Format: 3 riders with aggregate age of 135 years or more complete a total of 3 laps of the velodrome. The first rider leads for first lap and then pulls up the track leaving the second rider to lead. At the end of the second lap the second rider pulls up and lets the last rider complete the race. Fastest four teams qualify to contend for medals. The fastest two teams contend on opposite sides of the track for silver and gold medals, third and fourth fastest contend for the bronze medal.
